Incident Summary: The victim stated that he left an unknown bar in the area of James Rd with a female that he met. The victim stated he went to White Castle on Alum Creek and was outside when a suspect approached and made a demand. The victim believed he was being robbed and fought with the suspect. The suspect pistol-whipped the victim in the face and fired shots at the victim as the victim tried to flee.

The victim was struck by the gunfire and drove to Grant Hospital for treatment. Grant security advised that a female had dropped off the victim at the front door of the hospital in a black Volkswagen Jetta. The vehicle was found parked and unoccupied in the rear of 303 E Broad Street.

The victim stated he did not have any contact information for the woman who dropped him off at the hospital. Hospital staff advised that the victim was shot multiple times in the hip area and is in stable condition. Responding officers were unable to find any scene at the White Castle and employees did not hear gunfire at the location.

The suspect description is: M/B 30-40 years old, medium build, 6'0" - 6'2"
